

THE PCCC NEWSLETTER

Dear Members of the Polish Canadian Chamber of Commerce,

I am delighted and honoured to extend my warm greetings to each and every one of you in this latest edition of our newsletter.

First and foremost, I would like to express my heartfelt gratitude for reelecting me as President of the Polish Canadian Chamber of Commerce. Your unwavering support and trust inspire me to continue serving our community with passion and dedication. Together, we have achieved remarkable milestones even during trying times, and I am eager to see what new heights we will reach in the coming years!

I am also thrilled to announce that our Chamber's new Board of Directors has been formed, and I congratulate each member on their appointment. Together, we will drive our Chamber towards new successes, leveraging our collective expertise and passion for promoting bilateral economic relations between Poland and Canada.

Our Chamber is constantly growing, and it gives me immense pleasure to welcome our latest PCCC members. Each new member brings a unique perspective, expertise, and potential for fruitful collaboration that will enrich our business community. Let us all extend a warm embrace to these firms and individuals, and ensure they feel at home within our vibrant network.

This newsletter introduces you to our new Board members, showcases the profiles of our newest member firms, and shares the exciting events our Chamber has participated in. It also brings you updates from existing member businesses, and offers a glimpse into the future events that lie ahead.

I would like to take this opportunity to inform you of another important update within our organization. After several years of exceptional leadership, Angelika Nowak, our esteemed Executive Director, has decided to step down from her position. We want to extend our heartfelt gratitude to Angelika for her dedicated service, unwavering commitment, friendship and invaluable contributions to the growth and success of our Chamber. With mixed emotions, we bid farewell to Angelika and wish her the very best in all her future endeavours. We also hope to welcome Angelika to stay with the PCCC as a member and possibly one day in an official capacity on one of the Boards of the Chamber.

On a positive note, I am excited to introduce our new Executive Director, Katarzyna Stachowicz. She brings with her a wealth of experience in international business relations and a strong commitment to furthering the Chamber's objectives. Wishing you all the best for your new endeavours!

Over the past several months, we have actively participated in a wide range of events, strengthening ties between Poland and Canada, and fostering fruitful partnerships. These engagements have not only broadened our horizons but have also provided valuable opportunities for our members to connect, learn, and expand their networks.

Looking ahead, we have an exciting lineup of events and initiatives planned. From insightful networking events to trade missions, there will be numerous opportunities to expand your business prospects and engage with like-minded individuals.

As we move forward, I remain committed to open communication and collaboration with each and every one of you. Your ideas, feedback, and active involvement are integral to the growth and success of our Chamber, and I welcome you to contact me or my colleagues at your convenience.

Once again, thank you for entrusting me with the responsibility of leading this remarkable organization. I am excited and eagerly look forward to working with the new Board and each member of the PCCC to achieve greatness together.

Wishing you all continued success and prosperity,
Sincerely,

Bernhard L. Otterstein

PCCC President

Bernhard L. Otterstein

President

Polish Canadian Chamber of Commerce

Katarzyna Stachowicz
PCCC Executive Director

Dear Members of the Polish Canadian Chamber of Commerce,

It is with great excitement and enthusiasm that I assume the role of Executive Director for this esteemed organization. As we embark on this journey together, I feel honored to be part of a community that fosters economic promotion and cooperation between Poland and Canada.

Over the past two decades, my professional journey has been dedicated to promoting economic growth and nurturing collaborations within the regional self-government and business sphere.

My passion for economic development has led me to embark on numerous projects that have aimed to strengthen trade ties and facilitate foreign investments and bilateral economic relations. I firmly believe that these experiences have equipped me with the insights, knowledge, and determination necessary to contribute the development of our chamber.

As the new Executive Director, I envision a future where the PCCC becomes a paramount hub for businesses, investors, and professionals seeking to explore opportunities in both Poland and Canada. Together, we will forge a path that embraces diversity, unlocks new possibilities, and paves the way for meaningful economic cooperation. As the bridge between two nations with immense potential, the chamber will act as a catalyst for innovative partnerships, trade missions, educational programs, and knowledge sharing initiatives.

I eagerly look forward to getting to know each and every one of you, understanding your aspirations, and working together to create a dynamic and prosperous business environment. Your success is at the heart of our mission, and I am dedicated to serving the interests of our members with utmost dedication and transparency. Your active involvement will be pivotal in shaping the future of our chamber, and I am confident that together, we will create a vibrant, supportive, and impactful platform for businesses and entrepreneurs alike.

Thank you President Bernhard Otterstein and the Members of Board for placing your trust in me
Sincerely,

Katarzyna Stachowicz

Director

Polish Canadian Chamber of Commerce

PRF Work

PRF Work Agency recruits employees from various industries for Polish entrepreneurs according to the guidelines of its clients so that both candidates and employers achieve the planned results.

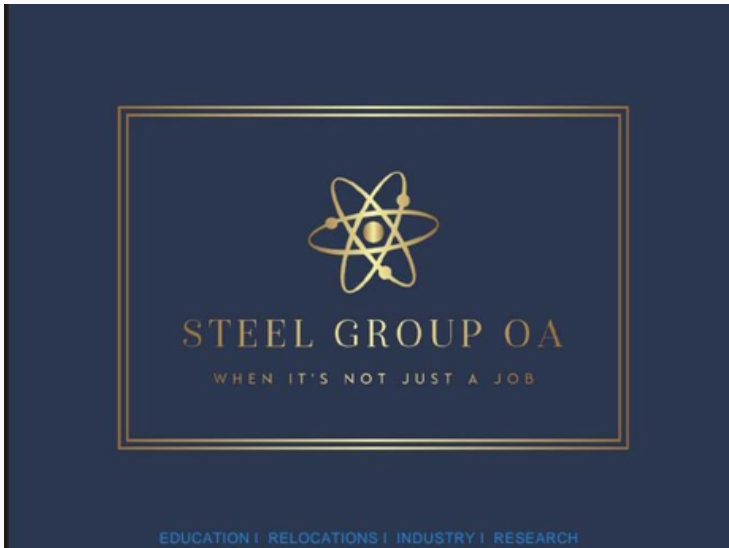

PRF Work believes that decent work equals independence and greater freedom for every human being because it raises people's material status and equalises their chances.

The Agency's mission is not only to support Polish businesses in development by hiring good employees from Asian countries but also to enable citizens of Asian countries (Nepal, India, Philippines) to raise their financial status by working in Poland.

PRF WORK

New Members

Steel Group

Steel Group OA is a fast growing multi-functional company with the synergy of business fields: education, relocations of the foreign manpower, cooperation in the industrial fields, and the marketing research of the above-mentioned fields. The company has successfully started with a few projects in Poland and continue to do it within the EU and outside.

Northland Power

Founded in 1987, Northland Power is a Canadian global power producer dedicated to accelerating the clean energy transition by producing electricity from renewable resources. Northland owns and manages a diversified generation mix including offshore and onshore renewables, and efficient natural gas, as well as supplying energy through a regulated utility. Headquartered in Toronto, Canada, with global offices in eight countries, Northland owns or has an economic interest in 3.0 GW of operating capacity and has a significant project pipeline encompassing over 19 GW of potential capacity.

The European market has been instrumental in establishing Northland's position as global leaders in offshore wind and is home to some of their largest operational facilities including Gemini in Netherlands), Nordsee One in Germany, and Deutsche Bucht in Germany. In Poland Northland is partnered on the Baltic Power offshore wind facility, which is advancing through late stage development.

New Members

Infinity Power

Infinity Power International is a Polish company that was founded 20 years ago and gradually expanded with more trainers and coaches. Currently, the team consists of interdisciplinary specialists, psychologists, anthropologists, business trainers, experts in communication, management and marketing, working together for the success of each of IPI's clients.

TIU Canada

The company is a pioneering solar energy power producer based in Calgary, Alberta that is expanding its operations to Poland . Since entering the Eastern European market in 2016, it has focused on producing clean electricity using Canadian renewable energy technology, technical experience, and innovative stakeholder partnerships to create value for shareholders in Canada and around the world. The company invested more than 90 million CAD in solar power projects in emerging markets and Canada, leveraging over 30 years of combined experience developing, monitoring, and managing energy projects globally.

In 2017, the company become the first Canadian investor in the Ukrainian economy under the Canadian Ukrainian Free Trade Agreement (CUFTA). Its current operations consist of 45 megawatts of electricity production in three solar stations despite the war. TIU Canada is deeply integrated with the local communities in Ukraine running extensive CSR programs for the population at the locations of the solar plants. Also, TIU has provided much-needed assistance to the regions devastated by the war in Mykolaiv and Kherson.

New Individual Members

Sebastian Kudroń

In March, I became a member of your esteemed organization. At the recent AGM meeting, I was humbled to receive 10 votes to sit on the board of directors. For those who have not yet been able to meet me, please do not hesitate to reach out at an upcoming event.

Having previously lived and worked in seven countries, I found my place in Warsaw, Poland, and a second home in the chamber. I am Toronto born and raised, a Guelph University Bioscience Bachelor, Wilfrid Laurier MBA, Kungfu black belt and Warsaw businessman.

I'm available to you as a super-connector, involved with: food commodities trade (wheat, dairy, sugars, fruits, vegetables), real-estate, tourism, software development, with most of my recent energy in Photovoltaics. I welcome collaboration on any of the above.

I'm an experienced legal, commercial, and corporate finance professional with 8+ years of experience in both private and public sectors. I'm also a qualified practicing Canadian lawyer with private practice experience, as well as being the Founder and Principal Lawyer of Tenet Law, which focuses on corporate law, commercial transactions, M&A, negotiations, and IP/Tech law, among other practice areas.

I provided multi-lingual advisory support to the UN Office of Legal Affairs in Vienna and UN Office of Counter-Terrorism in New York, focusing on multilateral treaties, parliamentary frameworks, international law, litigation, and ADR.

I've been fortunate enough to have lived, studied and worked in 5 countries, and travelled to over 30 other countries, while contributing as a volunteer for many years to a variety of social causes and community engagement initiatives through both active civil service and Board memberships in non-profit organizations.

Alexander Slonim

Past Events

International Speed Business Mixer

7th November, International Speed Business Mixer 2022 took place in InterContinental Hotels & Resorts, Warsaw.

More than 200 representatives of enterprises associated in 13 bilateral chambers of commerce (including the PCCC) have met during the International Speed Business Mixer. The event, organized at the InterContinental Hotel Warsaw, turned out to be really successful. It is not only because of its unique Speed Business formula and an impressive turnout.

The Speed Business Meeting consisted of 3 sessions lasting for 20 minutes each. After sessions, company representatives joined the Networking Business Drink.

Annual Katowice Christmas Business Mixer

The Polish Canadian Chamber of Commerce had the pleasure to participate in the 2022 edition of the Annual Katowice Christmas Business Mixer held on December 14th.

The event was organized by Katowice Special Economic Zone in partnership with 15 bilateral chambers of commerce, Confederation "Leviathan" and was granted Honorary Patronage of Mr Marcin Krupa, the President of the City of Katowice.

The event was a great opportunity to network with companies associated in other chambers and KSSE as well as to exchange of the Christmas wishes.

New Year's Business Mixer in Łódź

27th January, there was a third time when the Polish Canadian Chamber of Commerce was a partner of the New Year's Business Mixer in Łódź together with 10 other chambers as well as Business Centre Club Łoża Łódzka, Konfederacja Lewiatan, Politechnika Łódzka, LODZistics Logistyczna Sieć Biznesowa Polski Centralnej. We are always welcome here with such an amazing atmosphere and we come back with new contacts and friends. The mixer was granted the Honorary Patronage of the President of the City of Łódź.

Past Events

St.Patrick's Business Mixer

15th March, we celebrated St.Patrick's Day at the Business Mixer organized jointly with our friends from Irish Polish Chamber of Commerce, Enterprise Ireland Polish Canadian Chamber of Commerce and British Polish Chamber of Commerce and American Chamber of Commerce.

It was a great event full of surprises and fun, featuring Irish dancing show, Irish live band with original Irish pipes, Jameson whisky bar and lots of more! All of these would not have been possible if not our great host of this event The Westin Warsaw that created the special St. Patrick's atmosphere with the green lights and great food including Irish culinary specialties.

Spring Reception

The event held on 30th March in the Embassy of Canada in Warsaw was organized by the Embassy of Canada and the Polish Canadian Chamber of Commerce. It was focused on Polish-Canadian cooperation in the power sector.

The meeting was an ideal place to exchange experiences and make valuable contacts, all surrounded by friendly and kind people.

One of the main points of the programme was meeting the new Ambassador of Canada to Poland who gave an inspiring speech about importance of Energy Security, Sustainable Energy and Clean Energy with emphasis on OffShoreWind, Nuclear Energy and SMRs. All those gathered had the opportunity to speak with the Ambassador personally and wish her well in her diplomatic work.

International Speed Business Mixer

On 20th April, we took part in the Sopot International Speed Business Mixer, held at the Radisson Blu Hotel in Sopot.

Speed Business Mixer is the only formula where companies can reach a very wide business audience with their offer, thanks to the cooperation between ten international bilateral chambers.

After the Speed Business Networking which was a series of face-to-face meetings where participants had the opportunity to briefly present their company, talk about the services they offer and seek, exchange business cards, make new contacts, acquire new customers, suppliers, investors, etc. the Business Mixer Cocktail had place. This part of the meeting gave the opportunity to continue the conversations initiated during the Speed Business Networking and to make new acquaintances with the other participants of the meeting.

Past Events

Francophone Business Mixer

This event took place on 6th June at the premises of our Member - Wardynski & Partners. The evening gathered about 100 business and diplomatic participants – mainly members of 6 bilateral, francophone chambers from within the ranks of the IGCC: the French, Belgian, Luxembourgish, Swiss, Romanian and Canadian. For PCCC members, the meeting was an excellent opportunity to connect with the representatives of other French-speaking business people and enterprises operating in Poland, and to share experiences and discuss possible cooperation.

Mayor Crombie's visit

23th June, the President and representatives of the PCCC met with the Mayor of City of Mississauga Bonnie Crombie, MBA, ICD.D to discuss opportunities for cooperation. Mayor Crombie promoted Mississauga's as an ideal place for foreign investment.. She met with Billennium, a Polish based Mississauga company in the health-tech sector, to thank them for their investment and to seek additional growth opportunities in Mississauga. She also visited Mississauga-based Cyclone Manufacturing's plant in Poland. Cyclone's clients are some of the largest aerospace companies in the world including Boeing, BOMBARDIER, and Lockheed Martin.

AperiSpeed Summer Welcome

29th June, our new networking format - AperiSpeed Summer Welcome - gathered a few dozens of representatives of international companies operating in Poland. We were very pleased to take part in a fantastic event. A It was an evening full of positive energy, tasty food and good company, where our members could give a short presentation in front of participants from other chambers.

Past Events

Canada Day & PCCC Family Picnic

An incredible celebration of Canadian culture and friendship at the Canada Day Party was organized by the Embassy of Canada to Poland on 1 July. Her Excellency Ambassador Catherine Godin delivered a truly inspiring speech highlighting the enduring and strong Canadian-Polish relations.

July 2nd, the Polish Canadian Chamber of Commerce organised a Canada Day picnic for families and friends to celebrate the nation's special day. Held in a beautiful Klub Sosnowy, the event was filled with fun activities, delicious food, and a fantastic sense of community.

This year in addition to our regular guests, we had the pleasure of hosting representatives of the Canadian Polish Congress who emphasised the significance of Canada Day in the Polish-Canadian community.

As the day progressed, adults and children engaged in various games, activities and quiz competitions organised by our sponsors. The laughter, cheerful conversations, and friendly sportsmanship set the tone for a joyous celebration

We would like to thank all of the following sponsors who made the Family Picnic memorable:

Gold Maple Leaf Sponsor:

Silver Maple Leaf Sponsors:

Bronze Maple Leaf Sponsors:

Annual General Meeting

We are pleased to inform you that the Annual General Meeting of our Polish- Canadian Chamber of Commerce was successfully conducted on June 26th, 2023. During this meeting, crucial decisions were made, and a new Board was elected to lead the organisation forward.

While some members have retained their positions, we are delighted to welcome new faces to the leadership team. The newly formed board consists of seven individuals who have been chosen for their expertise and dedication to our Chamber's mission.

Now, it gives us immense pleasure to congratulate and extend warm wishes to the newly appointed board members. We are confident that their fresh ideas, skills, and passion will add tremendous value to PCCC.

The newly elected PCCC Board comprises the following members:

President:

Bernhard Otterstein

Board Members:

- **George Havaris** - Partner at B2R Law
- **Areta Kempieńska** - Managing Partner at BIRETA Professional Translations
- **Hubert Durlik** - ICS Polska - Owner / CEO
- **Paul B. Fogo** - Managing Partner at PBF Legal
- **Bartłomiej Nieścierowicz** - Poland, Lithuania, Latvia and Estonia - Business Unit Leader at CGI
- **Andrzej Siess** - Adviser at Raben Logistics

Big congratulations to our new Audit Committee:

- **Stan Borkowski** - MD, MBACEO, Colbird Ltd.
- **Marcin Jakubaszek** - Attorney-at-Law, Managing Partner at Jakubaszek & Partners
- **Nicholas C. Rytel** - EY Poland Assurance Managing Partner

We believe that this diverse and dynamic team will steer the Chamber of Commerce towards greater achievements and prosperity. Together, we will continue to foster an environment conducive to growth and collaboration among our members.

Please join us in welcoming the new Board, new Audit Committee and expressing our heartfelt appreciation to the outgoing members for their dedication and service. We wish everyone success in their roles and endeavors.

Upcoming Events

The BALTEXPO Trade Fair

European Forum for New Ideas Sopot

October, 11-13, 2023

The European Forum for New Ideas is an international discussion meeting of the business community focusing on the future of European economy in a broad, global context. It has been organized since 2011 by the Polish Confederation Lewiatan in cooperation with BusinessEurope, the City of Sopot, as well as Polish and foreign companies and institutions. This Forum will be a 12th edition and will be focused on most important challenges facing European the World. We focus on issues such as economy, politics, digital transformation, social problems or care for natural resources and sustainable development.

IGCC Speed Business Mixer

November 7, 2023

The Polish Canadian Chamber of Commerce, along with 12 other bilateral chambers of commerce from the IGCC, is coorganizing this year's edition of the International Speed Business Mixer.

The event normally includes two parts of the meeting: the Speed Session followed by a Networking Reception. During the Speed Session, participants are divided into groups of up to 10 people. Each participant makes a presentation of about 2 minutes. After 20 minutes – following an exchange of business cards – participants move to the next group according to an individual schedule prepared for each participant.

The event will be held on the 7th of November at the Hotel Radisson in Warsaw. For all PCCC members this is the great networking opportunity as well as sponsorship one.

News from our Members

AIR FRANCE BOLSTERS SERVICES TO CANADA AND WILL LAUNCH NEW ROUTE BETWEEN PARIS-CHARLES DE GAULLE AND OTTAWA IN JUNE 2023

Air France continues to increase capacity to Canada. In summer 2023, Air France will operate up to 50 weekly flights to 5 destinations in Canada: Ottawa (new service in 2023), Quebec City (new service in 2022), Montreal, Toronto and Vancouver (destinations served year-round by Air France).

The service between Paris-Charles de Gaulle and Ottawa Macdonald-Cartier (YOW) will be inaugurated on June 27, 2023, and will be operated five times weekly – Mondays, Tuesdays, Thursdays, Saturdays and Sundays – on Air France's 224-seater Airbus A330-200 (36 in Business, 21 in Premium Economy, and 167 in Economy).

Air France will be the only airline operating non-stop flights between Ottawa and Europe.

The Air France bus service currently available to customers free of charge between Montreal-Trudeau Airport and Ottawa will continue to offer two daily shuttles. The bus times are specifically scheduled to facilitate connections with Air France flights to and from Paris. Two daily bus services also link Montreal-Trudeau and Quebec City.

Operating in Canada since 1950, Air France will be the top European airline this summer in terms of capacity between Europe and Canada.

BlueBiz

Is your company travelling for business on Air France KLM Delta on regular basis?

Bluebiz is specially created for companies who want their business travel to run smoothly whilst earning free tickets. Enjoy a wide range of benefits, designed exclusively for you.

On top of that you can from now on fly in more sustainable way. It's now possible to donate your collected BlueBiz credits to purchase Sustainable Aviation Fuel (SAF) and support the transition from the use of conventional fossil fuel to SAF.

News from our Members

WHAT IS CEMBA

CEMBA – Canadian Executive Master of Business Administration is conducted as a joint venture between the leading economics and business university in Poland, the SGH Warsaw School of Economics, and the largest Canadian Business school, the University of Montreal/School of Management (ESG-UQAM).

WHAT YOU GAIN BY STUDYING?

First of all, you gain an **original MBA diploma with an MBA degree** from the UQAM, as well as MBA diploma and postgraduate diploma from SGH Warsaw School of Economics.

Moreover:

- NEW SKILLS**
- NEW PERSPECTIVE**
- MBA NETWORKING**
- CAREER DEVELOPMENT**

By the way you gain the ability to organize your time with precision, as you have to reconcile your roles and responsibilities, in a 16-month (ca, 640h) executive MBA program for working professionals with diverse educational backgrounds 12.

You also improve your business English proficiency. Even if at the beginning you are afraid to communicate and are unsure of your ability, we can assure that after completing these studies, you will put in the appropriate box on your resume: knowledge of (business) English: fluent.

TOP TIPS FOR STARTING CEMBA

PLEASE COME, CHECK, AND FEEL INVITED!

- 1 BE ORGANIZED AND PLAN**
As there will be a lot of tasks you should have a clear day schedule
- 2 LEARN TO LEARN**
Check when your learning is most effective.
- 3 ASK QUESTIONS AND ENJOY**
The discussion and networking part is a key element of your MBA
- 4 KEEP CALM**
Always call your program manager who will try to find a way out even from the hardest situation
- 5 ENSURE A SUPPORTIVE ENVIRONMENT**
Make sure to surround yourself with a supportive environment eg. family or friends who would be able to have your back on your way to complete the studies

- 1** This is our place in Perspektywy MBA Ranking since 2015 (in the category of programs fully conducted in English).
- 806** This is the number of CEMBA alumni and it is still growing!
- 244** That's how many students decided to take part in one of our 3 International Missions.
- 1995** This is the year when the first CEMBA cohort was launched
- 24** These are countries from 5 continents where our students and graduates come from.

For members of the Polish Canadian Chamber of Commerce, there is a special 10% discount!
